

**Assistant Professor Position in the Research Section of Global Water Dynamics,
Disaster Prevention Research Institute, Kyoto University**

November 15th, 2021

The Disaster Prevention Research Institute (DPRI), Kyoto University invites applications for an Assistant Professor position.

Location: Water Resources Research Center, Disaster Prevention Research Institute, Kyoto University, Gokasho, Uji, Kyoto 611-0011, Japan.

Job description and required qualifications:

The appointed assistant professor is required to conduct novel and potential research on the planning and control of water resources systems, water-related disaster risk management and human behavior in water-related disasters, based on his/her research achievements in the fields of rainfall/runoff/groundwater analysis, runoff prediction, water disaster risk management, and/or social systems related to water cycle. The candidate will have responsibilities for education in the Department of Urban Management, Graduate School of Engineering, Kyoto University. The candidate must hold a Ph.D. or equivalent degree or be expected to obtain the degree. The candidate must be proficient in Japanese.

Anticipated start date: As soon as possible after the selection.

Term of employment: 6 years (contract is renewable once for an additional 4 years)

Probation period: 6 months

Working time: Discretionary labor system (standard working hours: 7 hours 45 minutes per day, 38 hours 45 minutes per week)

Days off: Saturdays, Sundays, Statutory holidays under the Act on National Holidays, Year-end and New Year's holidays, Anniversary of Foundation of the University, and summer holidays.

Salary and Allowance: To be determined in accordance with Kyoto University regulations.

Social insurance: (1) National Public Service Mutual Aid Associations, (2) Employee's pension insurance, (3) Unemployment insurance, and (4) Worker's accident insurance

Applicants should prepare the following materials:

- (1) Curriculum vitae
- (2) List of publications (divided clearly into refereed journal papers and others)
- (3) Copies of five relevant papers
- (4) Brief summary of research and related contributions (up to two A4 pages)
- (5) Statement of research plans (up to two A4 pages, including figures)
- (6) Recommendation letters or names and contact information of two references (include addresses, fax numbers, and e-mail addresses)
- (7) Applicants who have not obtained a Ph.D. degree at the time of applying for the position must submit the following material: Comments from supervisor regarding the possibility of the degree conferment (including the expected date of degree conferment).

The complete application package must arrive by the deadline of 17:00 JST, January 14th, 2022 at the following address:

Selection Committee for Global Water Dynamics Assistant Professor
Administrative Office, Uji Campus,
Kyoto University
Gokasho, Uji, Kyoto 611-0011 JAPAN

Applicants must send the package by registered mail or direct submission. Applicants are not allowed to submit it by e-mail or through internet.
